### 14. Extra Curriculum:

#### N.S.S

I joined as an NSS-Programme officer in the previous academic year. I have conducted several programmes for NSS and other students. I have motivated the NSS students to involve campus cleaning in the college and other public places. A programme on “**Covid-19 Awareness**” was organized for all the stakeholders.

#### Yoga

As I was state first in yoga competition (2000) and secured in fourth place at all India level completion (2001).I taught Yoga to our college students in the last month. After the programme, many students are willing to join in “**Yoga Classes**” which helps the students to keep their mind and body in sound.

During school days, I have involved in the health campaign activities in the villages of Dindigul District. The work was appreciated and certificate was issued as “ **Kutty Doctor**” by the Christian fellowship Hospital, Oddanchatram for the period 1993-1994 & 1997-1998.

The above particulars are true to the best of my knowledge and belief.
