ANNUAL REPORT 2022-2023

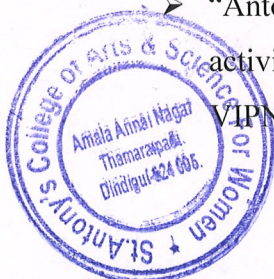

“Learning gives you creativity, ‘creativity leads to thinking’ Thinking provides knowledge, Knowledge makes you great”.

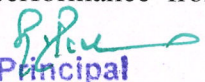

- Dr. APJ. Abdul Kalam

Distinguished Dignitaries on the dais I am immensely happy to welcome you for the 16th Annual Day Celebrations.

Academic success is important because it is strongly linked to the positive outcomes along with academic pursuits. Equal importance is given to sports and other physical activities as they develop the mental strength boost to higher self-esteem and a positive mind to set amongst students. I am immensely happy to share that the previous targeted plan “internationalization” was fulfilled in this academic year. It's truly a remarkable achievement and great honour for me to present the 16th annual report of our prestigious institution St. Antony's College of Arts and Sciences for Women, Dindigul.

- In this academic year 513 students were admitted in the 11 departments.
- For this academic year 2022 -23, departments conducted 12 Add on courses for the students' beneficiaries.
- In this academic year 74 full time faculty members were in the institution. Among them 29 faculty were Ph.D., NET qualified and the other are motivated to pursue higher degree in their field.
- In this academic year 336 appeared for the final examination and 333 passed out.
- On 23rd December 2022, Rev.Sr.Principal, 15 faculty members and 144 students participated in Tree Plantation World Record and planted 4378 plants at Idayakottai, Oddanchatram. The institution has received appreciation letter from Hon. District Collector Thriu.S. Visakan IAS, Dindigul.
- In the IIC Annual Performance, our institution received 3.5 STARS from Ministry of Education.
- “Anto Stephen Hawking Science Club” received Certificate of Appreciation for the activities done by students of Physics for their outstanding performance from VIPNET - “Vigyan Prasar Network of Science Clubs”.

ANNUAL REPORT 2021-2022

“Change is the end result of true learning.” Leo Buscaglia

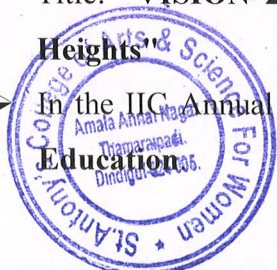

“Learning helps creativity, creativity leads to thinking, thinking provides knowledge and knowledge makes you great”. Today is a great occasion for our institution. It's truly a matter of immense pleasure and great honour for me to present the 15th annual report of our prestigious institution St. Antony's College of Arts and Sciences for Women, Dindigul. Although the pandemic period was a testing phase for everyone, it introduced uncertainty into the major aspects of national as well as global platforms especially for educational institutions. Yet, we kept striving to achieve our desired goals. Technology played a significant role to help in the teaching learning process during closures. Despite the unprecedented challenges posed by the outbreak of Covid19, we have gathered here to celebrate our 15th Annual Day.

On 11.08.2021, we whole heartedly welcomed our new Secretary Rev. Sr. Arul Devi to our Antony's family.

- In this academic year 354 students were admitted in the departments.
- This academic year started with 71 full time teachers and among them 23 faculty members were qualified with Ph.D and UGC NET cleared.
- Ms.K.Sinthiya, Assistant professor, Department of Tamil, Ms.G.Mahalakshmi, Assistant professor, Department of Chemistry, Mrs. L. JerlinRubini, Assistant professor, Department of Computer Science were awarded Ph.D in this academic year.
- In this academic year departments conducted 10 Add on course for the student's enrichment in knowledge.
- Our institution has signed 9 MoU for the collaborative activities for the academic purpose.
- From 18.06.2021 to 20.06.2021 in the "51 continuous progressive hours of Mega International Virtual Programme - **ASSIST WORLD RECORDS**", our Rev. Sr. Margaret Inbaseeli, Former Secretary was the chief patron and the programme was led by Rev. Sr. Dr. Mary Pramila Santhi, Principal which was a Live Telecast through Tamil America TV.

Title: **“VISION 2030: Importance of Enhancing Life Skills for Reaching Higher Heights”**

- In the IIC Annual Performance, our institution received **ONE STAR** from Ministry of

Future plan

- Regarding the National Education Policy 2020 initiated by the Government of India, we will give flexibility for the students to undergo and pursue dual programmes as CBCS.
- Today, internationalisation functions as a two way street. It can help students achieve their goals to obtain a quality education and pursue research. It gives students an opportunity for "real world, real time" and experiential learning in areas that cannot simply be taught. Also, it helps to generate the traits required for 21st century teachers. Thereby we aim towards enhancing prestige/profile for the institution.

Conclusion

I would like to end my report with a word of thanksgiving. I express my sincere thanks to the Provincial, the Management Committee, Rev. Sr. Secretary, Sisters, Teaching faculty, Non-teaching staff, and all the well-wishers of our institution. I express my heartfelt gratitude to all our students, parents, well-wishers and patrons of our institution whose constant support and guidance has helped maintain high standard of education and discipline in our institution. A special thanks to the photographers and press people, who are here to freeze the occasion to be relished in future. We take this opportunity to commit ourselves to do our best to serve this locality through quality education. We seek the blessing from the God Almighty to help and guide us in the right direction. To conclude, we can only say that we are committed to produce super useful, confident, efficient and self-sufficient students, who carry out the values of love, compassion, empathy, truthfulness and sacrifice everywhere.

ANNUAL REPORT 2020-2021

It's truly an immense pleasure and great honour to present the annual report of our prestigious institution St. Antony's College of Arts and Sciences for Women, Thamaraijadi, Dindigul. It is situated 10km North of Dindigul on Trichy - Dindigul Highways (NH45), away from the din and bustle of the town. The year 2020 was unexpectedly a testing year for everyone; the worldwide pandemic COVID-19 introduced an uncertainty into the major aspects of national as well as global platforms especially for educational institutions. Yet, our institution strove hard to achieve its desired goals. Technology played a significant role to help in the teaching-learning process during the closure of educational institution.

The nationwide lockdown following the COVID-19 pandemic has led to a burst of activity with online education. The COVID-19 had resulted in colleges being shut all across the world. Globally, over 1.2 billion children have been out of the classroom. The COVID-19 pandemic has resulted in a near total closure of the institution, with great financial constraints on the stake holders-its management, faculty, parents and students. Suddenly online learning has become a critical lifeline for education and St. Antony's College was one of the first in these areas to initiate online classes. Education has changed dramatically, with the distinctive rise of e-learning, whereby teaching is undertaken remotely and on digital platforms. In our institution, faculty are in contact with the students by taking the online classes regularly. The online classes, faculty development programmes, workshops, etc., went on amidst all hurdles, hiccups and challenges. The principal, the faculty, the students were able to adopt the new teaching technology with ease through WhatsApp, Zoom App, Google Meet, YouTube etc.

- In this academic year online classes were started for our students through Zoom and Google Meet.
- In this academic year 376 students were admitted in the 11 departments
- This academic year started with 69 full time faculty members and 20 of them were Ph.D. and NET qualified members.
- In academic year 2020-21 9 Add on courses were conducted by the departments for the students to enhance their knowledge apart from their syllabus.
- Our institution established a herbal garden, planted gooseberry trees, mango trees and neem trees in our campus during the pandemic times.

ANNUAL REPORT 2019-2020

On this delightful occasion, I wish a pleasant good evening to all. On behalf of our management, staff members and students, I take immense pleasure in welcoming everyone to the 13th Annual Day of the institution. Respected chief guests Thiru. N. Muthu Nilavan, Dr. A. Velanganni Joseph, Mrs. M. Suganthi, Mrs. Amarajothi, Rev. Sr. Margaret Inbaseeli, the Secretary of our college, staff members, parents, well-wishers, students and press personnel, with great joy I present unto you the annual report for 2019-2020.

13 years for an institution is a befitting stage where one can start matching expectations with results, objectives with achievements and above all, blessings enjoyed with difficulty & hardship endured. It's a day of retrospection! St. Antony's College of Arts and Sciences for Women, just 13 years young, has emerged as a promising institution of the region, providing value added, quality education, an institution striding towards excellence With the vision "Empowering Women through Higher Education", several steps are being undertaken in multi-dimensional perspective, contributing in turn, towards the growth of a healthy and happy society.

- In the academic year 2019-2020 a total number of 450 students were admitted in the 11 departments of the institution.
- In this academic year 76 full time faculty members were on rolls the institution. Among them 20 faculty were Ph.D., NET qualified and other are motivated to pursue the higher degree in their field.
- Department conducted 10 Add on courses for the students who pursuit for the knowledge apart from their syllabus.
- Our institution has signed 2 MoUs for the collaborative activities for the academic purpose.
- Our college has organized various SDC courses such as Lingua Soft, Computer courses, Media courses and also the courses such as Beautician, Tailoring, Type Writing, Hindi, Tally, and Competitive Exams preparation, Graphic Designing, Photography, Videography, Film Making, and Animation courses.
- This year as an extension activity, we have introduced 15 day free summer courses for the students who had completed +2. They will be given training in Spoken English,

- Department of Zoology has organized a field visit for students to demonstrate the culture of earthworms and vermicompost production. The field trip was held on 04.09.2019 at S. S. Vermicompost Industries, Pandiarajapuram, Vadipatti, and Madurai.
- On the 15th of February 2020, a one day extension field trip was organized by the Department of Computer Science. 39 students went to government sponsored "center of excellence for vegetables" in Reddiyarchatram.

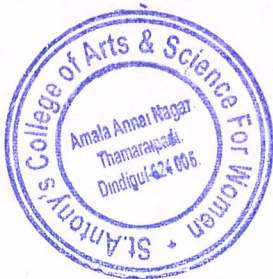

Infrastructure:

- To beautify our college campus, many extensions were made in the infrastructure. We have constructed Eugene block
- Institution has provided LCD projector to all the departments for implementing ICT enabled classroom. AV Hall has become ICT enabled.
- Football post has been installed in the sports ground and the ground is completely fenced in. And, with the unstinted efforts of Rev. Sr. Margaret Inbaseeli, Secretary, we have built a bridge across the water channel.

Future plan

- To promote research culture among faculty and students.
- To facilitate support services through the activation of placement cell.

The achievements of our staff and students make us stronger and wiser heading towards a bright future. I congratulate all the achievers. I would like to end my report with a word of thanksgiving. I express my sincere thanks to my colleagues, Teaching and Non-teaching, Sisters of the convent, and the Management Committee, Provincial and all the well-wishers. I express my heartfelt gratitude to all our students, parents, well-wishers and patrons of our institution whose constant support and guidance has helped maintain high standard of education and discipline in our institution. A special thanks to the photographers and press people, who are here to freeze the occasion to be relished in future. We take this opportunity to commit ourselves to do our best to serve this locality through quality education. We seek the blessings from the God Almighty to help us and guide us in the right direction.
